

WOODEN BLINDS

Ladder cords and tapes

In the course of this year we will further extend our collection of ladder cords and tapes. For a perfect finish the new colours were selected to match the beautiful metallic colours and the large number of wood varieties in our XL Venetian collection.

Bamboo Wood: an exclusive look for a natural lifestyle

NEW For the Nature Concept collection Coulisse developed a new wood collection for venetian blinds. Bamboo Wood is available in five matt colour tones. The sanded wood texture has a beautiful natural look and give the interior life style allure. The wood perfectly suits today's interior design and beautifully completes classical as well as modern interiors. Bamboo Wood is available in 25 mm as well as in 50 mm for XL Venetian.
